Vilas Park Shelter
by Lake Wingra

Come share your stories and experiences of this unique body of water at a community celebration and information exchange.

Everyday thousands of people enjoy Lake Wingra and “measure” the lake through ordinary physical activities such as running, biking, swimming, and fishing.

Come meet lake experts and advocates and other lovers of the lake. Share your stories for a future audio art project about the lake. Take a souvenir water bottle and enjoy the lake.

A project by Michael Peterson.
Measures of the Lake is a BLINK temporary public art project funded by the Madison Arts Commission.
